Re : Doing service to the community on Mandela Day

Aganang Local Municipality will do 67 minutes of charitable work at Phatlaphadima Special School in Maune village, Ga-Mashashane as part of International Mandela Day. This will be done in collaboration with South African Local Government Association (SALGA) Limpopo and Polokwane International Airport.

Among the activities on the 18th July 2013, starting from 10h00 will be grading of road leading to the school, cleaning of the yard, windows and cooking for the 140 learners. Part of the donations to the school will include clothing, netball and soccer kits, toys and sanitary towels.

The school is registered with the department of Education since 1994, providing education for learners with intellectual disabilities and its hostel can accommodate 250 learners when fully functional. Over and above the school's curriculum, learners are also trained in sewing, knitting, flower arranging, welding, steelwork, woodwork, beadwork and gardening skills. Extra-curricular activities include athletics, netball, soccer, cricket, table tennis and dance, with affiliation to Limpopo Sport Association for the Intellectually Impaired (LPSA-II) which is a member of South African Sport Association for the Intellectually Impaired (SASA-II)
