

Aganang continues to support Lucas Radebe Sports Development initiative

Lucas Radebe and Her Worship Mayor, Cllr Maria Mokobodi pampered patients at W.F Knobel

Aganang Local Municipality has been a host of the Lucas Radebe prestigious sports development initiative for the past four years. The Municipality has been at the forefront in assisting sports development programmes within its jurisdiction just like the support of Mayoral Tournament and Mayoral Race. This year Lucas Radebe tournament was held under Moletla-Basha-Schools-Sport-Event (meaning of the name: Moletjie; Matlala; Maraba and Mashashane), facilitated by Agang-Sechaba Foundation in Ga-Sechaba. This year's event was supported by Thobela FM as the main broadcast sponsor.

The following schools participated in this year's tournament which was mainly aimed at developing sports in Aganang: Moshidi S School (Moletjie area in Ga-Sechaba), Seokeng S School (Moletjie area in Ceres), Sekati S School (Moletjie area in Ga-Kgoroshi), Joel Sebasa S School (Mashashane area in Diana), Ngwanasehlakoana School (Maraba area in Bellingsgate), Mmaphuti S School (Maraba area in Ga-Magongwa), Matuma S School (Matlala area in Kordon), and Motlishi S School (Matlala area in Vlaakfontein).

The programme for this year was launched on Saturday 03 and continued on Sunday 04 October 2015. Like the previous year on Sunday morning Lucas Radebe, his team, Agang Sechaba Foundation, Thobela FM and Municipal delegation visited children at WF Knobel Hospital where toys were handed to children who are currently at the hospital. The team wished the children a speedy recovery. Her Worship Mayor, Cllr, Maria Mokobodi thanked Lucas Radebe for this initiative and also thanked Thobela FM for giving the initiative a great publicity coverage.

Radebe says he will continue to support Agang Sechaba Foundation on its aims to support sport development in the area. He says through partnerships it is possible to develop young people interested in various sporting codes. Radebe emphasised that the location where a person comes from does not determine the destination of that person. He thanked Aganang Municipality for participating in this initiative for the past four years.
